Dear Team Lead,

We hope this email finds you well. As the Team Leader for your registered team in **Codefest 2024**, we are excited to share the updated timeline and crucial details for the upcoming event. Kindly ensure that this information is communicated to all your team members.

**Updated Event Timeline:**

- **Information Flow:**

*Date: September 22 - October 2*

Crucial details about the event structure, rules and requirements will be shared during this period. We are also reaching out to more enthusiastic people with the event. Stay updated as this will provide key guidance for the hackathon.

- **Team Grooming:**

*Date: October 3 - November 10*

Your team will receive different mentorship and support to refine your ideas and strategies for the competition through different virtual session like: App Development, Web Development, Business Development, Cyber security, Presentation Skills etc. Make sure your team takes advantage of this phase to enhance your project.

- **Ideathon (Idea Presentation Day):**

*Date: November 17 - November 24*

This is the main event where your team will work on creating solutions to the challenges presented.

- **Vote Appeal & College Visits:**

*Date: November 25 - December 10*

Public voting will begin, and our organizing team and the sponsors will visit colleges to promote the event, giving your project more exposure.

- **Finale (48 Hrs. Coding Day):**

*Date: December 13, 14, 15*

The qualified 21 (9 team from province 3) from all provinces will take part in 3D-3N Residential Hackathon (48 hrs. Coding). The team will present their prototype to the

audience and judge and the winners will be announced. This will be the most exciting stage of the event, so prepare your team well!

**Fee Collection:**

The **registration fee** for Codefest 2024 will be collected soon. The organizing committee will reach out to you directly to coordinate payment. Please ensure that the fee is paid on time to confirm your team's participation. We kindly ask that you communicate this to all team members and be ready when contacted.

If you or your team have any questions, do not hesitate to reach out. We are here to support you in any way possible and want to ensure your team's success.

We are thrilled to have you participate and look forward to seeing the innovative solutions your team will bring to **Codefest 2024!**

...
